

JULY 4, 2011 GRAND WINNERS

A huge "Thank-you" to everyone who purchased raffle tickets! We wish that every one of our 413 purchasers could have won a prize. This year's winners are:

Gator -- Harlan Guettermann, Houston

Ranch Rifle -- Monica Moore, La Grange

42" TV -- Debra Schwartzenburg, Muldoon

Apple iPad -- Ricky Kovar, Fayetteville

\$300 Visa Card -- Dawn Jamail, West Point

\$200 Visa Card -- Doug Hollar, Muldoon

Garmin GPS -- Eric McKinney, Flatonia

Digital Camera -- Pierre Lidome, Pearland

Rod & Reel -- Chuck Mazac, La Grange

The biggest winner was our Muldoon VFD, as this fundraiser will provide much needed funding to help us reach our budgetary goals. Our current priorities include firefighter personal protective gear and breathing apparatus, reliable radios/pagers, a tanker (for transporting extra water to a fire scene), and expansion of our Muldoon station to house added equipment needed. We are actively pursuing grant opportunities, as well, to help us with these needed items.

STAY SAFE! -- YOU can help us *to help you* by:

- **checking signage in your area, along your road**, and at your gate, to be sure a firefighter can find you, ***day or night***. Contact me if you need a blue/silver address sign to mount on your gate, to help responders find you quickly.
- **keep your driveways trimmed** sufficiently for a fire truck (clearance of 10 feet in height and 10 feet wide) to reach your home and other structures.

- **help us enforce the current burn ban.** If you see signs of fire, note your location and call 9-1-1 to seek help....every minute counts!

Stay safe out there!
